

Annual Meeting of the UISPP 4th Commission 2009 in Budapest
Data Management and Mathematical Methods in Archaeology
Special Issue: **Quantitative Methods for the Challenges in 21st Century Archaeology**

Publication of the papers presented on the meeting

Papers presented on the conference 'Annual Meeting of the UISPP 4th Commission 2009 in Budapest - *Data Management and Mathematical Methods in Archaeology*. Special Issue: **Quantitative Methods for the Challenges in 21st Century Archaeology** ' will be published in the periodical *Archeologia e Calcolatori*.

According to the editors, following the publishing schedule of "Archeologia e Calcolatori", the Budapest Meeting Proceedings can be published in the 21st issue (Autumn 2010). On behalf of the editors of the periodical, Paola Moscati kindly suggested that the Budapest organisers should arrange the collection of the manuscripts, revise contents and language.

Guidelines for submitting the manuscript:

- Papers should be submitted by e-mail (.rtf or .doc formats, about 6000 words, including references, figure captions, Authors' names and contact details) by the **30th September 2009** to the following address: tbk@ace.hu.
- A maximum of 10 figures should be sent separately from the text (.jpg or .tiff formats, 300 dpi). Figure numbers should correspond to the figure references in the text.
N.B. The on-line version will support colour figures; however the same figures in the printed version will be in black and white. Please verify that this will not compromise their quality.
- An abstract in English (about 300 words) should accompany the text.
- Bibliographic references (max. 15) in the text should follow the Harvard system and should be presented at the end of the paper as follows:
