XIV International Clay Conference
Micro et Nano: Scientiae Mare Magnum

Castellaneta Marina, Italy

June 14-20, 2009

2nd Call for Abstract

Apologies for cross posting

Dear Colleague,

We are extending a cordial invitation to contribute to and attend the 14th International Clay Conference to be held in Italy from 14 to 20 June 2009.

The "*Micro et Nano: Scientiae Mare Magnum*"

Conference embraces the universe of the microparticles and thoroughly investigates seven themes :

BIO-CLAYS INTERFACE & LIFE'S ORIGIN

CERAMICS & ENGINEERING

GEOLOGY & GEOCHEMISTRY

HEALTH & ENVIRONMENT

MINERALOGY & CRYSTALLOGRAPHY

NANO & POROUS MATERIALS

SOILS & SEDIMENTS

Four plenary and 44 invited lectures

opening the sessions will take place. Info will be posted on the Conference web site after being confirmed.

After the Conference, the Authors of the contributions presented will be invited to submit full papers to special issues of relevant international journals, through a standard peer-review.

AIPEA School for Young Scientists. *Interstratified Clay Minerals: Origin, Characterization and Geochemical Significance.* A great opportunity to learn more about the fascinating world of the mixed layers.

Two field trips to fascinating places. Aeolian Islands (pre-conference) and North Sardinia (post-conference)

Excursions to two Unesco World Heritage Sites.

Two half-day visits, free of charge both for participants and accompanying people, will take place during the Meeting. Destinations are "Sassi di Matera" and Trulli di Alberobello.

Abstract deadline runs out on December 31, 2008.

With best regards,

Saverio Fiore

Chair, XIV ICC
